For “Horizon,” artist Ray King translated quotes from Abraham Lincoln and Eleanor Roosevelt into Morse Code; using laminated holographic glass elements as the Code’s dots and dashes, he attaches the quotes onto the garage façade.

Ray King is an accomplished artist who uses the natural phenomena of light as it interacts with glass and optics as an art medium. King has exhibited his work internationally since 1976. Major permanent installations of his work have been commissioned throughout the United States and abroad. For more information, visit King’s website [www.rayking.nu](http://www.rayking.nu).

### THE SOUTHERN FACADE

*“With malice toward none, with charity for all, with firmness in the right as God gives us to see the right, let us strive on to finish the work we are in, to bind up the nation's wounds, to care for him who shall have borne the battle and for his widow and his orphan, to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations.”*

-Abraham Lincoln's Second Inaugural Speech, 1865

### THE WESTERN FAÇADE

*“You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You must do the thing which you think you cannot do.”*

- Eleanor Roosevelt's "You Learn by Living: Eleven Keys for a More Fulfilling Life," 1960
